

ARDELL PATTERSON

9-30-38 – 4-23-19

Ardell's life was a testimony to everything that is good and noble
In humankind. Easton was enriched by her presence.
She was always ready to help her friends and neighbors,
while cheering their hearts with her great sense of humor.
In Ardell's presence you never lost sight of what is truly important in our world:
Faith, Hope, and Charity.
