“These minutes of the Town of Easton ZBA have been recorded by the Acting Secretary. Though believed accurate and correct, they are subject to additions, deletions, and corrections by the Select Board at the next meeting when the Board votes its final approval of the minutes. These minutes are made available at this time to conform to the requirements of New Hampshire RSA 91 – A: 2.”

**The meeting was officially called to order at 7:00 pm by John Hynes.  
The ZBA members were identified by roll call.**

**Public in Attendance:** Andrew Schatz, Barbara Dotty, Norm Boisvert, Ned Cutler, Jim Page

The Public Hearing was re-opened at 7:00pm.

**Continuance**

- The applicant, AT&T, again asked for continuance.
- The purpose of the continuance is to conduct a road test in real time transmissions to validate the town’s radio frequency (RF) engineer’s analysis.
- Ivan Pagacik, town’s RF engineer to ride along and verify readings.
- Possible dates of test: 8/6 - 8/9.
- Due to time conflicts, next available meeting date is in mid-September.

**Road Test**

- Kris Pastoriza would like a ZBA member to be present in the vehicle for the road test.
- Jim Page requests to know the route on which the road test will be conducted, and the name of the testing company.
- John Hynes will send email to applicant regarding next meeting date and request a route map for the drive test.

**John Hynes moved to adjourn the hearing at 7:14pm until 9/19/19 7pm. Kris Pastoriza seconded. All in favor; none opposed. Passed.**

**Minutes** - After review, the minutes of the June 27 meeting of the ZBA were approved with the following amendments;

- page 2: under **Reports due**, Our Structural engineer, Rob Adair, needs more time to conduct study for his report.
- page 2: under **Next Meeting**, John Hynes would like to have the town's radio frequency engineer to be present at the next meeting at the applicant's expense.
- page 2: under **Next Meeting**, Attorney Duval believes the structural engineers can hash out any differences between themselves prior to the meeting.
- page 3: under **Public Comments**, John Hynes shared briefly the analysis from Attorney Hilson regarding tower relocation. The attorney's opinion was that since the tower has been in its position for 3 years, and it was approved by the SelectBoard, there's likely not anything that can be done about its location.

Motion to accept the June 27, 2019 minutes as amended was made by Fred Moody, seconded by Ellen Pritham. All in favor; none opposed. Passed.

Shot clock is still paused until the next meeting.

**Fred Moody moved to adjourn the meeting at 7:26pm until 9/19/19 7pm. Ellen Pritham seconded. All in favor; none opposed. Passed.**

**Next meeting, Thursday, September 19 at 7 pm.**

Respectfully submitted,

Zak Mei
