

Town of Easton

Volunteer Survey

This survey is meant to recruit volunteers who are willing to offer their skills to assist the various departments and functions of the Town of Easton. You may not have to be a year-round resident or registered voter in Easton in order to lend a hand. Our needs are varied and you do not have to be an expert in any field. Some of the responsibilities occur infrequently or only once annually. We also may engage your assistance on an as-needed-basis instead of a permanent committee membership. Because of the small size of our town, a greater portion of us must be civically engaged in order to keep the essential town functions running!

Below are some current areas of need for the town. Please indicate those that you may be interested in: (no need to highlight if already participating in town)
